Hello Ladies,

WOW! What a wonderful event the Valentine Luncheon at the Biltmore turned out to be. It was such a fun-filled day and it was so nice to see so many familiar faces. Thank you so much to everyone who worked or who attended for making this such a fantastic party. I would especially like to thank the Co-chairs, **Polly Ringdahl** and **Pat Kolander** who worked so diligently for months to make the Luncheon such a success.

A job well done!

Also great appreciation goes to **Toy Martin**, who coordinated the ten fabulous Tablescares, and all the ladies who participated in adorning those tables so beautifully. A very special thank you to **Aileen Osofsky, Barbara Rousso and Marilyn Glasberg** for once again handling the very tedious job of juggling reservations. The financial results of the Valentine Luncheon will have to come later since all the numbers are not in at this time.

I am looking forward to having the Scottsdale Firefighting Staff instruct us in the new CPR procedures at our regular February luncheon. I hope all Members will be able to take advantage of this opportunity.

The March 18th luncheon at Troon North will be a great setting for our Craft Boutique. It is going to be something new and exciting to have our own very Creative Women who will be showcasing their talents, giving you an opportunity to purchase their wares, with a percentage going to CWPP. Some outside vendors will also be present...there should be something for everyone! I hope everyone will attempt to attend this luncheon. It will be a time to share with each other and contribute to CWPP as well. **Marsha Gershberg** is in charge of coordinating this Boutique; so if you have questions or would like to participate, please give her a call. Her number is listed later in this newsletter, along with a form to fill out if you would like to participate or if you know someone who is not a member but might like to join our little Boutique luncheon.

In closing I would like to say how proud we should feel for completing two wonderful fundraising events in order to assist the many charities who need our help more than ever this year.

MARCH 18 LUNCHEON

CWPP is enriched by its members, whose creative gifts, distinctive talents and inspired ideas are limitless. Several of our members work or run their own businesses. In addition to their volunteer commitments, they are community leaders and businesswomen.

Our March 18th luncheon will feature a Craft Sale, showcasing the many talents of our own members. If you have a craft or special talent that you would like to share, we welcome you to participate. This is an opportunity to display your talents and make some money too! If you know someone who is not a member but might want to participate, please let me know. A percentage of all sales will go to CWPP!!!

Below is a form that can be filled out and sent to me.

HOMeward BOUND TOUR

Our Grant Committee has set up, for the entire membership, an opportunity to tour Homeward Bound.

The tour will be **Tuesday, March 3rd at 11:30AM**, including a box lunch.

A sign-up sheet will be available at this Wednesday's luncheon at Pinnacle Peak Country Club or you can call the CWPP phone number **(480-502-1773)**.

Leave a message and someone will contact you.

Homeward Bound does need to know how many will be touring the facility, so you must make a reservation by Tuesday, February 24th.

Carpooling is the preferred mode of transportation to the site. Groups leave from the Walgreen's parking lot at Pima and Pinnacle Peak Roads. Detailed instructions will be given when reservation is made.
