Brisann has a 13 year old son and her entire family are avid football fans.

Reminder of Auction Check-In Procedures

At Rhinestone's check-in table you will be asked for your credit card to be pre-swiped in order to facilitate payment and delivery of auction items. Your credit card is left unsigned and blank unless you're the highest bidder and win the item. The item and form will then be brought to your table for your signature.

This is the procedure we've used in the past with great success. It saves you and other guests from standing in a check-out line after dinner.

Cowboy Trivia

What does "Yippee-Ki-Yay" Mean?

Whether any self-respecting cowboy ever said "Yippee-Ki-Yay" is open to debate, but it's suppose to be a cowboy expression of extraordinary happiness or joy. It's more often been sung than said, as in Woody Guthie's song, "Chisholm Trail".

First verse:

Come along boys and listen to my tale,
Tell you of my trouble on the old Chisholm Trail,
Come a Ki yi yippee yippee yi yippee yay
Come a ki yi yippee yippee yay.
